1. ABOUT JIDAIR CARGO

... get to know the best global logistics agent

We are JIDAIR

“Our reputation is founded on developing intelligent and tailor-made solutions for our diversified blue-chip customers by leveraging processes, people, technology and infrastructure, and the strength of our strategic partnerships and alliances with leading technology partners.”

JIDAIR CARGO, is a global logistics that moves business and industry through innovation, inspiration and foresight. we deliver excellence in end-to-end logistics and, daily – enabling customers to grow in an efficient, proactive and cost effective manner.

Established in 2010, today we are at the forefront of the logistics industry with extensive operations. Through our International division, customer logistics reach is extended from Africa, Europe, America, Asia, United Kingdom and the Far East. We continuously expand both our local and international operations organically and through bolt-on acquisitions.

Our consistent growth track record is testament not only to our ongoing expansion, but a focus on investing in our people and customers, while delivering a fine balance between sustainable business and communities.

... MISSION AND VISION

What is the mission and vision of our freight logistics company? Learn more about how we aim to decrease freight logistics process inefficiencies for our customers and practice continuous process improvements for both our organization and service offerings. The Jidair Cargo vision is to establish ourselves as the best freight logistics service provider by garnering the respect of our business partners and developing successful and satisfied customers and employees by focusing on our niche: re-engineering the approach to solving our customers freight logistics process and freight management needs.
